This directory provides a list of Dean Health Plan’s Dean Advantage network providers.

This directory is for members residing in Columbia, Dane, Dodge, Fond du Lac, Green, Iowa, Jefferson, Rock and Sauk Counties.

This directory is current as of 10/28/2022. Some network providers may have been added or removed from our network after this directory was printed. We do not guarantee that each provider is still accepting new members. To get the most up-to-date information about Dean Health Plan’s network providers in your area, you can visit deancare.com or call Dean Advantage Customer Care Center at 1-608-828-1978 or 1-877-232-7566 (TTY: 711), 8 am to 8 pm, weekdays (year-round) and weekends (October 1 – March 31).

Dean Advantage is an HMO/HMO-POS plan with a Medicare contract. Enrollment in Dean Advantage depends on contract renewal.

The formulary, pharmacy network and/or provider network may change at any time. You will receive notice when necessary.

Dean Advantage Customer Care Center has free language interpreter services available for non-English speakers. This information may be available in other formats such as Braille and large print and may be available in a non-English language. SECTION 1 – INTRODUCTION

This directory provides a list of Dean Advantage’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

Primary Care Provider (PCP)

You will have to choose one of our plan providers who are listed in this directory to be your Primary Care Provider (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care coverage from your PCP. Your PCP will coordinate the rest of the covered services you need. To change your PCP, contact Dean Advantage Customer Care Center at the number above.

Plan Providers

The plan providers listed in this directory have agreed to provide you with your health care services. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. Some services require an authorization.

Non-Plan Providers

Members on HMO Plans:

In order for Dean Advantage to cover your care from a non-plan provider, you must have an approved prior authorization for any non-emergent services before you receive the service. Please work with your plan provider to submit an authorization request on your behalf. An authorization determination will be made by Dean Advantage and you will be notified of the decision by mail.

Members on HMO-POS plans:

Care you receive from non-plan providers will be covered at the out-of-network cost sharing. If you receive an approved prior authorization from Dean Advantage before receiving the service, the care will be provided at in-network cost sharing.

Receiving Bills from Non-Plan Providers

If a non-plan provider asks you to pay for covered services, please contact Dean Advantage Customer Care Center at the number above.

Ask the non-plan provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you receive a bill for the services, you can send the bill to us for processing at:

Emergency and Urgently Needed Care

What is a medical emergency?

A situation is a medical emergency if you believe that you have medical symptoms that require immediate medical attention to prevent loss of life, loss of a limb or loss of function of a limb. In an emergency, every second counts. Some examples of medical emergencies are severe pain, heart attacks, strokes, poisoning, loss of consciousness and difficulty breathing.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency department. In an emergency, you never need to contact your PCP or any other plan provider for prior authorization.
- As soon as possible, you or someone close to you should contact Dean Advantage about your emergency so we can help with your follow-up care. Please contact Dean Advantage Customer Care Center within 48 hours at the number above.
Will *Dean Advantage* help manage emergency care and follow-up care?

Dean Advantage pays for emergency medical care whether it is provided in our plan or from a non-plan provider. Once you are stabilized, Dean Advantage pays for post-stabilization treatment provided by a plan hospital or provider. If you required admission to a non-plan hospital during your emergency, you may be required to transfer to a plan hospital once you are determined to be medically stable for transfer. Once you are past the emergency and post-stabilization periods, you may still need follow-up care. You must visit plan providers or receive an approved authorization from Dean Advantage to use non-plan providers for any follow-up care you receive. If you choose to visit a non-plan provider for your post-stabilization and/or follow-up care without an approved authorization, Dean Advantage will not cover the care from the non-plan provider.*

*Members on HMO-POS plans: If you visit non-plan providers without an approved authorization for post-stabilization and/or follow-up care, your care will be covered at out-of-network cost sharing.

What is covered if I have a medical emergency?

- Emergency medical care is covered whenever you need it, anywhere in the United States.
- Ambulance services are covered in situations where other means of transportation to an emergency room or trauma center would endanger your health.

What if it wasn’t really a medical emergency?

Sometimes it can be hard to know if you have a medical emergency. For example, you might go in for emergency care, thinking your health is in serious danger, and the doctor may say it wasn’t a medical emergency after all. If it turns out that it was not an emergency, as long as you reasonably thought your health was in serious danger, we will cover your care.

Any extra care you receive from a non-plan provider after your situation is deemed non-urgent and non-emergent will not be covered.*

*Members on HMO-POS plans: Dean Health Plan will cover non-urgent and non-emergency care at out-of-network cost sharing.

What is urgently needed care?

Urgently needed care is non-emergency, unforeseen medical illness, injury or condition that requires immediate medical care. Urgently needed care may be furnished by plan providers or by non-plan providers when plan providers are temporarily unavailable or inaccessible. The unforeseen condition could, for example, be an unforeseen flare-up of a known condition that you have.

Getting urgently needed care

Dean Advantage covers urgently needed care you receive within the United States. If you receive urgent care from a non-plan provider, you should call your PCP, if possible. If you are treated for an urgent care condition by a non-plan provider, we prefer that you return to a plan provider for follow-up care through your PCP.

However, Dean Advantage will cover follow-up care that you receive from non-plan providers as long as the care you receive still meets the urgently needed care definition.
What is the service area for Dean Advantage?

The counties in our service area are Columbia, Dane, Dodge, Fond du Lac, Green, Iowa, Jefferson, Rock and Sauk counties.

How do you find Dean Advantage providers in your area?

It is easy to use this directory to find a plan provider near your home. For a Primary Care Provider (PCP), begin by looking in the section titled “Primary Care Providers.” If you are seeking a specialist of any kind, please begin in the section titled “Specialists.” For all other service providers, begin in the section called “Other Plan Providers.” Once in the correct section, simply locate the county in which you reside. Counties are listed alphabetically. Underneath the county heading you will find all providers in that county, organized by city and specialty, listed alphabetically.

When scheduling appointments or elective procedures, you are strongly encouraged to contact us to verify whether your providers are in our network. This includes for example, your anesthesiologist, radiologist, pathologist, facility, clinic or laboratory. If your provider is out-of-network, your care may not be covered.

The information contained in this directory may change throughout the year. If you have questions about the providers in our network, please contact our Customer Care Center at 1-877-232-7566. They can help you find a network provider or explain the financial implications of seeking care outside of our network.

Visit deancare.com/medicare to find more information about your Dean Advantage coverage.

How do I know whether to go to the Emergency Room or an Urgent Care Center?

An EMERGENCY is the sudden and unexpected onset of acute symptoms that would lead a reasonable person to seek requiring immediate medical attention. Emergencies include: heart attacks, strokes, poisoning, loss of consciousness and loss of breathing. Plan facilities should be used whenever possible when seeking emergency services. However, if you are unable to reach a network provider please go to the nearest medical facility.

URGENT CARE provides treatment that is needed sooner than a routine doctor’s visit. Urgent care is not emergency care. Some examples of ailments treated by urgent care include: most broken bones, sprains, minor cuts, minor burns, most drug reactions and non-severe bleeding.
